First played in public at the Arbor Day Fiddle Contest in Nebraska City, Nebraska on April 27, 1991. Since I had to have a name for the contest, I called it Treeplanter's Reel in honor of Arbor Day. I performed this tune many times from the late 1990s on with the Turtle Creek Bluegrass Band (Steve Gilmore, Mike Metzger, Bill McKay, Rod Businga, Dave Brinkman). Treeplanter's was also recorded by the Rivertown String Band for their CD.
